## FIRST ROUND FOR DIRECTORS' CUP

June Handicap Play at Country  
Club Furnishes Some Inter-  
esting Matches.

The first round in the June handicap play yesterday for the directors' golf cup at the Country club brought out some very interesting matches. The closest finish was in the match between Walker and Salisbury and J. Walcott Thompson. At the end of the first nine holes Salisbury had Thompson two down. Then he won the tenth, which gave him a lead of three, but Thompson took a brace and won the next three straight, which made the match all square. From then until the seventeenth it was nip and tuck and the pair started for the eighteenth on even terms. Salisbury was on the green about four feet from the hole in his third stroke, while Thompson was a short distance off the green. On his approach Thompson holed out in the willows, where he had to chop out with a loss of two strokes. Both were in deep trouble, but Judge got the best of it and won the hole. At the fifteenth, Judge made a remarkable drive clear across the green, while Gemmell's drive got into the long grass, giving Judge the hole. At the sixteenth Gemmell won. Both drove over the seventeenth, but Gemmell sunk a long putt, probably fifteen feet, for a three, and won the hole and match.

Copp defeated Wicks in a runaway match, and Hale put Holman down in their game. The results bring the winners up to the semi-finals, in which Gemmell plays Hale and Copp plays Salisbury, the two winners of these games to play the finals.

### BENEFIT FOR BEN.

(Special to The Herald.)  
Ogden, June 20.—For the benefit of Ben Mortensen, who, while he was in the game, was one of the most popular ball players produced by Ogden, a game has been arranged to be pulled off at the fair grounds ball park on Thursday night. The Ogden State league will be lined up against the strong Goddard team of this city.

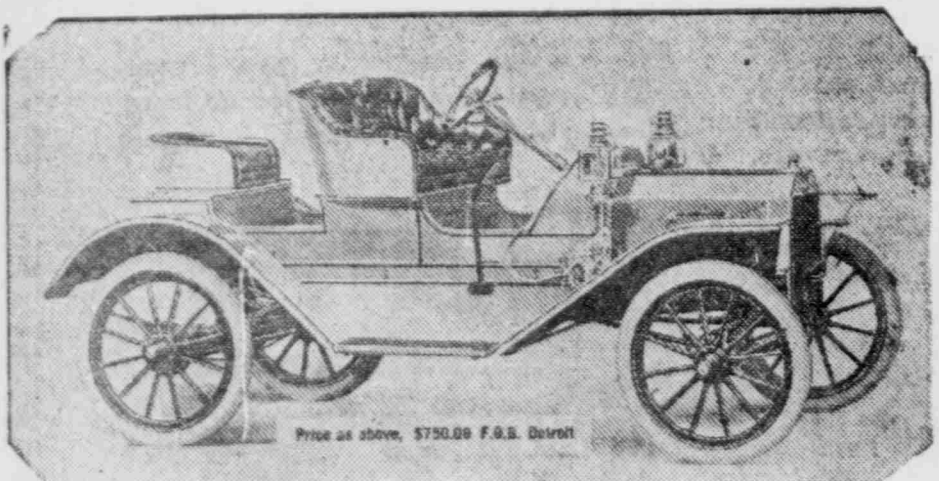

Some time ago Goddard suffered an attack of laquage of the heart that probably put him out of the game for good. Mortensen's ultimate recovery depends on his going to a lower altitude and the proceeds of Thursday's game will be used to send him to California.

## TENNIS ENTRIES CLOSE THURSDAY

State Tournament Starts Next  
Saturday—Big Women  
Entry List.

At a meeting of the executive committee on the coming state tennis tournament held last evening, it was decided to close the entries next Thursday night. At that time the drawings committee will meet at the Kenyon hotel and make the drawings for the tournament, which starts on next Saturday. The committee is especially desirous that all the entries be in the hands of the committee by this time, as there will be no postponement. The coming state tournament will be a great event for the women players of the city, of which there are a great many. This will be the first time in an effort to increase interest in the tournaments among the women players of the city. It is believed by the committee that there are many women players in the city capable of competing in these events, but it seems hard work to convince them of this fact. Already it is announced that from twenty to twenty-five entries have been promised, but it is hoped even this number will be exceeded. The women players have a chance to compete in the singles, doubles and mixed doubles, all of which are added features this year.

An innovation in grand stand facilities has been arranged by the Country club, on whose courts the games will be played. Instead of erecting the ordinary wooden grand stand, a turf stand is being built. The lawn immediately north of the courts has been terraced for the seats. The tiers raise about a foot as they go back, giving a good view from any part of the stand. Instead of a wooden roof, it has been arranged to have a canvas covering. It is thought this will be one of the most original and novel stands for viewing tennis in the United States.

## BIKE RACES AT SALTAR TONIGHT

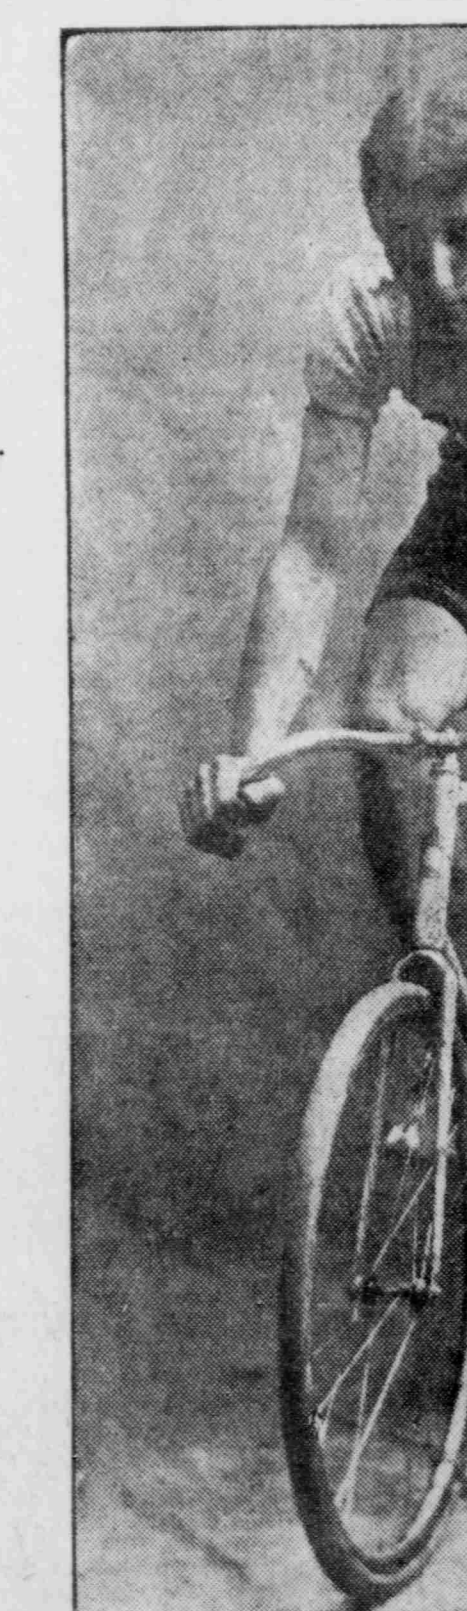

All the Riders Entered for First  
Sunday Meet at New  
Track.

The new Saltair bicycle track will open for its first Sunday meet this evening. Manager Chapman announced last evening that all the riders in the city would compete, including Clarke and Mayer. The races will start promptly at 8:30. The program includes a half-mile handicap professional and a five-mile lap professional. The amateurs have a quarter-mile open and a three-mile handicap. Arrangements have been made for a good train service immediately after the races for those who wish to return home at once.

This will be the first real test of the ability of the Saltair track to attract the public, as hitherto the weather has been unfavorable or the riders have been tied up by contracts with the rival track. It is expected that a good crowd will turn out this evening.

### GODDARD VS. UNION DEPOT.

(Special to The Herald.)  
Ogden, June 20.—The Goddard baseball team will play the Union Depot team at the Ogden depot aggregation at the fair grounds ball park tomorrow afternoon. The teams are well matched and an interesting contest is expected.

Jack Hume.

"Give it to Hume," as Jack Hume is known, appeared at the local cycle track the past week for the first time in a year. A year ago he was thrown professional without a hearing of any kind, under one of the most unjust decisions of the N. C. A. This year an effort was made by his friends and he was reinstated. Hume is one of the most popular riders on the track, and his reappearance in the game is bound to add interest to the sport in Salt Lake. The name "Give it to Hume" is a popular one at the track, and came about over circumstances under which Hume had no control. Three years ago, in one of the races, a time limit was set which was under the world's record. The race was run, and, of course, the time was not made. Then it was ordered run over. The run over was won by Hume, and the time

## UNBEATEN COLT AGAIN WINNER

Colin Captures Tidal Stakes at  
Prohibitive Odds of  
1 to 5.

New York, June 20.—The fifteenth successive victory was added to his record today by Colin, James R. Keene's unbeaten 2-year-old, when he won the Tidal stakes at the Sheepshead Bay track in easy fashion. The Tidal stakes are for 2-year-olds and are worth \$15,500 to the winner. Today's victory, with that of Hailor in the Suburban on Friday, make Mr. Keene's returns from the two races close to \$35,000.

Colin was in his 2-year-old form and apparently sound. His string of winnings practically put him out of the betting, the odds being quoted at 1 to 5. Twenty thousand persons cheered him as he was sent on the track for a warming up. The four horses were sent away to a fine start, leaving the barrier heads apart. Colin quickly went to the front, and was not challenged until the eighth and ninth lengths before Chapultepec. The latter stopped to almost a walk in the final furlong. Colin's time was 2:04.

### Notter Eases Him Up.

At the far turn Notter checked him a bit and the field closed up slightly and Dorante came into the stretch. Notter gave the speedy Keene colt his head and the youngster responded in a fashion that brought the crowd to its feet, cheering wildly for the favorite. The jockey eased up on Colin as he neared the finish, allowing Dorante to come within a couple of lengths as they swept across the line. Dorante was four lengths before Stamina, who in turn was eight lengths before Chapultepec. The latter stopped to almost a walk in the final furlong. Colin's time was 2:04.

### Results.

First race, six and one-half furlongs—Timber won, Saracinesca second, Far West third. Time—1:29 2-5.

### EVANSTON PLAYS PARK.

First Real Game of Season for Summit County.

(Special to The Herald.)  
Park City, June 20.—The Park City baseball fans will be given a chance to see a real exhibition of the national game tomorrow afternoon, when the track team from Evanston, Wyo., will line up against the local Ontario team at the ball park.

This will be the first real contest of the Park City team, but the visitors have a long list of victories to their credit, having beaten nearly all the aspirant amateur organizations with whom they have played, and yesterday afternoon it was her in an exciting ten-inning contest, a score of 1 to 0.

### SULLIVAN LEAVES FOR OGDEN

(Special to The Herald.)  
Ogden, June 20.—Peter Sullivan, who scheduled to go against "Cyclon" Thompson at the Utah hot springs, June 23, is expected to leave for Los Angeles tomorrow. This will give him the best of a week to shape himself up for the contest. Thompson has been training faithfully for the bout, being anxious to demonstrate that the referee made mistake when he awarded the last contest to Sullivan.
